Sub: Cabinet decision on Honorarium etc., to be paid to the non-Official Chairman of Public Enterprises

Sir,

I am directed to refer to this Department O.M. No.PE7/79/157, dated 21st March,1984 on the above mentioned subject (copy enclosed) and to state that a Public Enterprise had raised a valid issue as regards para 1 (iii) of the said O.M. As is known, the post of some of the Public Enterprises are held by deputationists from either the IAS or the ASC cadres and the rules governing Medical Allowances admissible to the personnel from these two cares are different. Therefore, an embarrassing situation will arise as regards Medical Allowances admissible to a Chairman if a Managing Director from the IAS cadres is succeeded by the Managing Director from the ACS cadre. It is, therefore, essential to clarify the position in this regard.

Finance Department may perhaps take the following point into account in considering the issue:

1. Since the non-official part-time Chairman are not whole-time officers, perhaps admissible to family members of Government servants and employees of the Public Enterprises may not be extended to the family members of the Chairman.
2. Since the IAS cadre personnel is covered by Rules designed at the national level, perhaps the Rules of the State Government may be more appropriately applied to the Chairman of the State Public Enterprises

An early clarification of the matter is requested.

Yours faithfully,

Sd/-
